Our Mission

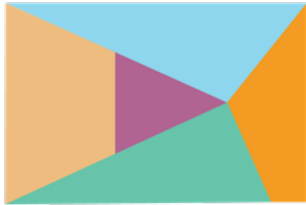

The Mosaic Film Experience is an innovative educational platform that empowers underrepresented youth to explore emerging and creative careers through the power of storytelling.

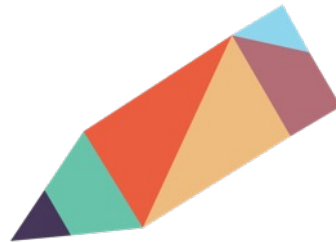

Our Vision

Using digital storytelling as a tool for learning, we aim to level the playing field for students across barriers created by economic status, race, gender, disability, or geographic location.

Community**

Mosaic Event

Our annual event inspires students by creating a space to experience storytelling through creative ideas and technology.

Mosaic Education

We provide middle and high school students and young adults with hands-on skills training, career development, and mentorship.

Mosaic Community

Inviting our community to share the joy of storytelling.

MOSAIC CAREER PIPELINE

Empowering students from the classroom to career.

With our focus on students, Mosaic Education is a showcase of our programming at work, aligning classroom learning to creative and emerging career possibilities. We are cultivating the future of creative problem solvers by fostering a highly skilled, inclusive, innovative, and diverse workforce.
